Both the rifle range and the pistol range offer covered shooting positions. Heavy concrete shooting benches provide stability for sighting in rifles and shotguns. There are no caliber restrictions for using the rifle range. Use of the pistol range is limited to centerfire handguns and rimfire rifles. Current fees for range usage are \$5.00 per hour on the rifle and pistol range and \$5.00 per round on the trap or skeet fields. Facilities are available from mid-

March through mid-December each year at the following times:

- Wednesday 4:00PM to 10:00PM
- Saturday 10:00AM to 5:00PM
- Sunday 10:00AM to 5:00PM

Land of Legend Rifle and Pistol Club, the facility concessionaire, offers an extensive list of special shooting events throughout the year. The list of club

scheduled special events is included for reference. Special events generally

occur outside normal operating hours and have special fees. These events offer exposure to other shooting disciplines such as silhouettes, bowling pins, and IDPA.

Dillon Sportsman Center extends a discount to all members of Land of Legend Rifle and Pistol Club who use the facility during normal operating hours. Frequent shooters may apply for membership in the club and take advantage of the discounts.

The Sportsman Center is located on the west side of Dillon State Park. We are five miles off SR 146 on Pleasant Valley Road. Please call the facility for any additional information.
