If you haven't paid your dues yet you are overdue. At some point you will be dropped from the membership list. Send your money to Fred Smith, \$30 for individual or \$45 for a family.

IDPA

The first IDPA match of 2010 is in the books. We had 8 shooters come out and dodge the rain drops and do a little shooting. As it turned out we got a little wet during the first stage and had fair weather after that. I hope a good time was had by all. Beginning with the May match the starting time for the match will be 4:30. The change in time is due to high demand for public use of the pistol range. In case you didn't notice there was a sharp increase in firearms sales about 16 or 17 months ago and now that ammo is becoming more available people are visiting the range more. I think this is good for the range and good

for all of us gun owners. Strength in numbers you know. The May match will be the IDPA classifier so bring enough ammo. The BUG stage will be set up to give everyone something to do when they are not shooting or helping with the classifier. Doug Schultheis

Youth Silhouette Match

Turnout was light for our first youth match of the year, but a good time was had by the 4 attending shooters. (see results below) I will take the blame for not publicizing it better due to a family commitment. **The June 5 match is postponed due to the fact I will be out of town** but I hope to have another match either July 3 or August 7.

Action Rifle Match

Our bad luck with this match continues. We cancelled the first match of the year when only two shooters attended (if fell on Easter Sunday), and we cancelled the second match because of driving rain .

While it is not common we cancel a match due to bad weather it might be a good idea to call the range or myself (754-1600) if the weather looks really poor.

General Match Info

We are still discussing the possible time change for the Bowling Pin Matches but we have decided to change the time of all other matches to non-public hours. While the schedule says 5 pm for most matches, we will be setting up, collecting fees, setting up squads, etc starting at 4:30. When we are finished we will start the match. If you wait until 5 to arrive you might have to wait a few minutes to be added to the roster.

In the last newsletter I made some errors in reporting some scores. I omitted Jeff Hanger's scores in the .22 Action Rifle Match. He scored an 86 on the first round and a 83 on the second. Those scores we good for 4th place on both rounds.

I also, somehow, cut off the Pin Top Scores for the last 3 finishers. They are included below and have been added to the "official" records.

22	JAY SHEELY	37.93	22.53	19.93	35.40	77.86
23	BRUCE HAMLER	55.17	42.56	13.93	45.20	101.69
24	LOGAN SWEENEY	NT	40.63	58.36	45.51	144.50

Sorry about the errors.

Important Update

After the Bowling Pin Match last Sunday the Executive Committee met to discuss moving the time of the matches to non-public hours, namely 4:30 in the afternoon . We had asked for input from club members and pin shooters and talked to many people regarding the pros and cons of such a move. After extensive discussion we voted to make the move and hold the June match at 4:30 June 13th and the remainder of this years matches (through November)at that time also. Be assured that this decision was not made lightly. If you were one of the shooters that preferred the morning shoot, please give us a chance to show the afternoon shoot is workable. I plan to include in the next newsletter the reasons I voted for the change and will provide the opportunity for other members of the committee to do likewise if they choose.

Larry

IMPORTANT NOTE:

Since Club meetings were normally scheduled for after the bowling pin match around noon the second Sunday of the month and since pin matches are being changed to 4:30.....

The Club meetings will now be before the pin match at around 4:00 pm.

Election of officers will be Sunday June 13 at 4:00 PM

All officers are up for re-election except for Trustee Rick Hupp who was elected last year to a two year term that alternates with a second trustee (Mike Spaulding). If you would like to run for an office you can let a board member know, or be nominated from the floor at the meeting.
