### **Quiet Month**

February is usually the slowest month for shooting at Dillon, and this February was no exception. The turn out for the 10 am Pin Match was small and through a breakdown in communication the 12:30 group found a locked range. I would like to again apologize to those shooters that made the trip and did not get to shoot. We are working on a process that will insure this does not happen again.

On the “good news” side, I would encourage everyone to notice the winner of the Pin Tops class of the February Pin Match. Our youngest shooter, Austin Mick, showed all of us how it is done. My excuse was old eyes and cold weather, you can ask the other shooters what excuse they want to use for being beaten by the “younger generation”.

### **Range Opening**

As I am sure all of you know the range will open to the public March 17<sup>th</sup>. The park service started the process of turning the water back on March 6<sup>th</sup> and we expect to have water and restroom facilities available for the Work Party, March 10<sup>th</sup>. In numerous trips to the range this winter I can tell you the place held up pretty well. There were several minor roof leaks but the basement has stayed very dry. Terry has not indicated what all is on his list for us to do on the 10<sup>th</sup> but I’m sure we will find plenty to keep us busy. As in the past, try to bring rakes, shovels, weed trimmers, leaf blowers, cleaning supplies, etc. Keep your fingers crossed that the weather cooperates.(Terry’s e- mail arrived after this was photocopied.)

### **Bylaws Vote**

Sunday, March 11<sup>th</sup> during our regular monthly meeting we will be voting on changes to our club bylaws. Most of the changes are minor updates to get us back in line with current practices. The most controversial change is a proposal to require NRA membership for all members of LLRPC. The executive committee proposed this idea for several reasons. First it would allow us to apply for a range maintenance grant that is only open to 100% NRA clubs, secondly it is a thank-you to the NRA for the two grants we have received the last two years, and thirdly it is a way for the club to make a little money. I would encourage all members to discuss the pros and cons of this proposal and vote on March 11<sup>th</sup>. This is your club, so make your voice heard.
