Elections

You will notice by the names listed above that we have elected some new members to the executive board. While neither Kevin nor Jennifer has been a member long, they both have shown real enthusiasm regarding the operation of the club and range. We welcome them to the board and look forward to their input. Tim Young was also elected to the board, replacing Mike Spaulding as trustee. A big thank you to outgoing shotgun VP, Bob McClure, for his work over the last few years. His help on our grant proposals will have a lasting impact on the club. Mike has also been a valuable addition to the executive board providing prospective that comes from being a member for many years. And in regard to outgoing secretary/treasurer, Fred Smith, I can say without reservation that no one gave more time and work for the betterment of LLRPC and the Dillon range than he has. In the 12 years he served in the office the job evolved from collecting dues and keeping notes to a position that involved several hours of work each week. I would not even try to list all the duties he took on but they included, paying range bills,

submitting reports to the state, banking activities for the club and range, collecting match fees, and providing the executive committee with profit and loss reports. You would think that would be enough work but Fred also had done many of the repairs to the range including the massive clean-up after the flood, he helped on the trailer floor repair, the rebuilding of the trap house, the repair of IDPA targets, and range roof repairs. He has been involved in every major project at the range and was even the author and delivery person for our proposal to the state to operate the range. I know I am forgetting dozens if not hundreds of things he has done over his tenure but my fingers are tired of typing. Fred, Mike and Bob all deserve a pat on the back from all club members and more time to shoot instead of so much work.

NRA Grant

We are still waiting for part of our grant money that was earmarked to repair the roof of the range. The check should arrive soon and the repair process can begin. We will keep you informed. Details are also being worked out with an individual that submitted a grant to the NRA for youth shotguns

and would now like to transfer the guns to our range. Again we will keep you informed.

Skeet League

The Summer Tuesday Skeet League finished up their last night of shooting June 29. The banquet is scheduled for late July. Anyone interested in the Fall League should talk to Jeff Hanger.
