## **Waiting for our Money**

LLRPC and the range are patiently waiting for our NRA grant money. Our Sec./Tres, Fred Smith, responded to the NRA's request for some additional information and clarification regarding our earlier grant. The money is expected soon and the executive committee will meet to decide how (within parameters of the grant) the money will be spent. If you have ideas please let any of the officers/committee members know of your thoughts. Because of the way the grants are awarded, we see a need to quickly spend the money and submit a report to the NRA.

## **Boy Scouts**

Fred has just informed me that the local Boy Scouts of America (Zanesville) have

expressed an interest in using our facility to allow the boys to earn their rifle and shotgun merit badges. This sounds like an excellent opportunity for our club to meet part of our grant requirements for youth education. (besides being a great opportunity to work with young shooters and introduce others to our sport.) The executive committee will be discussing our level of commitment and level of financial support in the form of ammo, birds, range time, guns, and instructors. Let us know your thoughts and willingness to volunteer.

## **Youth Silhouette Match**

Our second Youth Silhouette Match took place June 2. With threatening weather and other family commitments there were only 3 shooters. If and

when we schedule another shoot it would be great if we could encourage a greater turnout.

## **Election of Officers**

Next month, July 8, we will hold our election of officers. Current officers and trustees, with the exception of Rick Matson, have agreed to run again. Nominations from the floor will be welcomed and accepted.

## **Upcoming Events**

June 16- Steel Match  
June 17- .22 Silhouette Match  
June 23- IDPA Match (3pm)  
July 8- Bowling Pin Match  
July 8- Monthly Meeting and election of officers

### May 19, 2007 Steel Match

Because a variety of guns were used by the participants (Open Auto, Open Revolver, Stock Auto, Stock Revolver, and .22) I have listed individual stages by the fastest time regardless of gun. The overall match results have been separated into Open, Stock, and .22. If a participant used different guns in different stages he was ranked by the "fastest" gun he used. (.22-Open-Stock)
