## Dues

LLRPC dues are officially overdue. Individual dues are \$30 and family dues are \$45. Membership forms are available at the range with envelopes to send them directly to our treasurer. Remember that you must be a member of the NRA to join. It would also be helpful if you would include your NRA membership expiration date on your membership form.

## IDPA Classifier

The rules of the International Defensive Pistol Association call for the members to shoot a classifier at least once a year. The classifier is a 3-stage match with limited vickers scoring that feature an evaluation of the skills required in regular IDPA matches. We will be shooting a classifier here at Dillon at 4:00 May 28. To receive an official classification, shooters will need to be a current member of IDPA and have

their membership number available. Those wishing to join prior to the classifier can go to the IDPA website. ([WWW.IDPA.com](http://WWW.IDPA.com))

## Match Scores

Each month in the newsletter we publish the results of the matches shot the month before. If you look over these scores you will see a variety of formats that in some cases might be confusing. I thought I might take this opportunity to explain how each match is reported. The Pin Matches are the total of the best 3 out of 4 times and ranked from fastest to slowest times within each class. If a shooter has 2 or more NTs they are placed at the bottom of the listing and are not ranked. Stock Class includes centerfire handguns with iron sights; no comps and the pins must be removed from the table. We allow shooters to shoot open guns or even just knock down the pins with rimfires but those scores are

placed at the bottom of the results between the slowest scores and the NTs and are not included in the results of first through whatever place. Open Class includes centerfire handguns with any sights (except laser), comps, and up to 10 round mag capacity. Again the pins must be knocked from the table. Stock guns are eligible for open class. Pin Top or Rimfire Class includes any .22 rimfire handgun, any sight, (except laser) and up to 10 round mag capacity. (11 in the gun to start) Next month I will cover other matches.

## Membership Perk

If it ever quits raining, remember the Spring Skeet League is at the range for the next couple of months on Tuesdays from 3-3:30 until around 6:00. Any club member that wants to use the rifle or pistol range at this time can do so **free of charge**.
