WINTER

The 2012 Schedule is attached to this newsletter but I'd like to highlight some important dates to keep in mind.

The range will close for the season on 30 November 2011.

Bowling Pin Matches will continue throughout the winter on the second Sunday of every month at 10 am. Dress warmly and plan ahead. We have cancelled a pin match due to weather but that's an extremely rare occurrence. I'll do everything I can to ensure at least an email goes out if we're going to cancel a match. If you're not on my email list please send me your address!

President Retires!

It looks like we've finally worn out Jeff Hanger. He's going to step down as club president after a LOT of years of serving this club. While he'll still be around shooting and helping us all

he can, this spring will be time for us to stand up and elect a new club president. If you'd like the job please start campaigning now. I'm hoping we'll see election signs popping up on the ranges, debates scheduled, and maybe even radio and TV ads.....

Elections will be on the Sunday of the Pin Match in March, 11 March 2012.

Next year's schedule looks like a lot of fun! We'll see all the favorite matches return for another year plus we'll have some great new events. Look thru the schedule for Cowboy Action Bowling Pin matches, Hunter Pistol matches, and even CMP Rimfire Sporter events.

Pin Matches

Bowling Pin matches will continue throughout the winter. Starting Dec

11th the Pin matches will be on the second Sunday of the month at 10am.

Thanks
