Winding Down

As I am writing this I have just spent a few hours at the range in beautiful 70 degree weather. Unfortunately I have trouble believing such temperatures can last much longer. As you can tell by the number of match results, most club events are finishing up for the year. Pin matches, of course, will continue throughout the winter because those of us that shoot pins are not smart enough to come in out of the cold. Hopefully there will still be some nice days where you can come to the range and enjoy our sport. Don't put it off too long as December 14 is closing day.

Muzzle blast from the Past

Recently Kathy Dennis sent to the executive committee records for the club dating back to 1984. I have spent several hours looking through correspondence, membership lists, and old newsletters. I was even able to find the times of my first bowling pin match which I shot in November 1996. My next match will begin my 13th year. The results of that first match provided both good news and bad news. The bad news was my time of 97.89 seconds for the best 3 of 4 tables. The good news was I must have been encouraged because I am still shooting. The good news was that I finished better than Rick Hupp. The bad news was I finished 28th and Rick had two No Times and thus did not place. The bad news is I have never beaten Rick again. The good news is last month's times were better than 12 years ago.

(but not by as much as I would like) The good news is several of the shooters from 1996 are still slamming pins. The bad news is several of the shooters have passed on. If you would enjoy looking at some of the past newsletters I will have them with me at the next two pin matches, November 9 and December 14.

Another Thank You

The decision of the executive committee to take our time in hiring a new range manager has placed extra work on all the committee members, but none more so than Fred Smith. As the club Secretary/Treasurer Fred has taken it upon himself many of the responsibilities formerly handled by the manager. From bill paying to payroll to state reports to balancing the cash register to picking up and delivering clay birds Fred has spent many hours at the range working. Further thanks to Doug Schultheis, Jeff Hanger, Mike Spaulding, and Larry Holland for volunteering a Sunday each at Dillon in October. Aslo, to Doug for the electrical work and picking up the trap machine and clay birds. Thanks to all who have worked on rebuilding the trap house. (Paul Gelfer, Greg Boyd, David Shields, and others.) All club members benefit from these members efforts and we all need to thank them.

Scheduling Meeting

The 2009 Scheduling meeting was held at 10:00 November 1. Most of the schedule is ready but there are a few loose ends that need to be taken care of. A tentative list of events should be sent to members no later than December 1.

Grant News

In our continuing effort to improve the facilities at Dillon club has made a major purchase. The next time you are at the range take a look at the new GMV Trap machine that will soon be installed in the left field trap house. This machine cost \$7000 with \$2500 coming from our NRA range improvement grant. With this purchase, the purchase of new skeet machines, repairs to the trap and skeet houses, and the purchase of voice releases it would appear that the shotgun side of the range is in excellent condition.

Gun Shows

Nov. 15-16 Medina
Nov. 22-23 Dayton Hara Arena
Nov. 22-23 Walnut Creek
Nov. 29-30 Columbus Vets Memorial
Dec. 13-14 Dayton Hara Arena
Dec. 13-14 Medina
Dec. 20-21 Akron
Dec. 20-21 New Philadelphia

Upcoming Events.

December 14 – Bowling Pin Match
December 14 – Dillon Closes for the Season
