New Guns

As you may have heard the LLRPC has added to our gun collection. With money from the NRA grant we have purchased two new Remington 11-87 20 gauge youth model shotguns for the youth shooting programs. These guns along with the rifles we already had are available to club members and youth organization for use at the Dillon range to introduce kids to the shooting sports. Contact the range or a club officer in advance to arrange use of any of these guns. We also owe a big THANK YOU to Tom and Kathy at T & K Guns and Archery. They sold us the new guns at their cost which allowed us to buy two and stay within our budget. The next time you see Tom or Kathy make sure and thank them or better yet the next time you are thinking about a new gun give them a call. We also owe a THANK YOU to the Zanesville Ducks Unlimited and Jim McKee for the donation of a youth model 870 20 gauge to the club at the recent Greenwings day at the range.

Greenwing Program

The annual Greenwing Program we co-sponsor with Ducks Unlimited was a great success. About 150 young people registered for 3 hours of fun that kept all volunteers very busy. From archery to shotgun shooting and watercraft safety to rifle shooting the youngsters lined up

time after time to experience the outdoor sports. Check the bulletin board for a copy of the article and picture that appeared in the Times Recorder

New Furniture

Through donations and some careful purchasing we are slowly beginning to furnish a small classroom for the basement. As part of our grant proposal we are trying to have a space and equipment suitable for instructing a small class of youth in gun safety, hunter safety, or other shooting related activities. We have purchased a dozen chairs and a dry erase board and have had two tables and some student desks donated.

2008 Scheduling Meeting

Is there some type of shooting event you wished we would have at Dillon, but we never do? Here is your chance to fix that problem. All members are encouraged to attend the 2008 Scheduling Meeting coming up November 3 at 10 a.m. From this meeting we will compose our 2008 Schedule of Events. Whatever you would like to shoot there is probably a fellow shooter that would help you run a match. You just need to get it on the schedule.

Youth Clay Bird Shoot

Don't forget the range is sponsoring a youth clay bird shoot on October 13th

from 5pm to 10pm. This event is open to any youth age 15 or younger that is interested in the clay target shooting sports or in practicing for the upcoming hunting seasons. The cost for youth will only be for ammunition and we now have guns available to loan to shooters. Lets get more young shooters involved with our sport.

5 Stand

By now I guess most of you members know we are having a 5 Stand shoot every Thursday from 4 to 10. If you haven't tried this before you need to dust off that shotgun, grab a few boxes of ammo, and come on out. If you have shot it before, you know what fun you are missing. No excuses! I tried it out for the first time last Saturday and scored a 25. (on the fun meter, I do not have room to list my actual score.)

Upcoming Events

October 13 Action Rifle Match
 October 13 Youth Clay Target Shoot
 5pm
