## **2010 Scheduling Meeting**

The 2010 Scheduling Meeting will be held at the range at 10 am on Nov. 7, 2009. If you look at our 2009 Schedule of Events you will see that a small group of us are running all of the matches. It is obvious to me that this is a recipe for “burn out”. We need greater member involvement or the number of matches is likely to decrease. Come to the scheduling meeting and volunteer to run your favorite match. You will get plenty of help, become more involved in the club, and just maybe save that match for the future.

## **Greenwing Program**

The Greenwing Program was a big success even though we had a steady hard rain right up until starting time. At 12 noon the clouds magically parted and the 97 kids attending were able to move through the stations with only wet grass and a little mud to slow them down.

## **Grant Work**

As mentioned in last month’s newsletter we have submitted a range improvement grant to the NRA. This grant is to repair our clay bird storage trailer and build a wall to separate our pistol range. This grant has been submitted and we should hear something in January. We are also in the process of writing a general foundation grant to put a new roof on the clubhouse. If you haven’t noticed our roof has a few leaks, luckily only when it is raining. This grant will be submitted by the end of this month and we will be notified in January if we receive funding.

## **Tuesday Afternoons**

Not everyone may be aware that on Tuesdays between 4 and 6 Jeff Hanger has been operating a 5 Stand Shotgun League. We have a few more weeks until the league is over so if anyone would like to shoot 5 Stand you do not have to be a member of the league. We will work you in, just be aware that those in the league have priority. Club members can also use the rifle and pistol

range during this time for a flat fee of \$3 and the Skeet and Trap fields are available at the regular rates.
