Breaking News: .22 Silhouette Match for October Added

Due to the high demand for steel animal meat, Rob's agreed to run one more silhouette match for the year. It'll be on Sunday, Oct 2nd.

Please remember that the National Hunting and Fishing Day festivities are coming up on Sep 24th. The Green Wing activities begin at noon. Portions of the range will not be open to the public on that day.

Put this in the "very advanced warning" category... the scheduling meeting for next year is going to be on Nov 6th at

10am. If you have any inputs for the match scheduling, or range scheduling that'd be a good time to bring them up.

We've shot the rimfire sporter course of fire on one Tuesday night so far. It went pretty smoothly. If you'd like to give it a try come out and join us on a Tuesday night at 5:30.

Match participants, if you're not receiving this newsletter via email, and you'd like to please write

your email address on any of the match scoresheets.

Thanks
Rick Jordon
